

**If plans or drawings haven't been provided, use this section to sketch your proposal with approximate measurements and dimensions, remember to include any additional information.**

This image shows a full page of blank graph paper. The grid consists of small, equal-sized squares formed by thin black lines. There are 20 columns and 20 rows of these squares, creating a total of 400 square units. The background is white, and the grid lines are evenly spaced throughout the entire area.
