

Pontefract and Knottingley Neighbourhood Panel

Neighbourhood charter priorities

Priority	Action	Updates
1. Feeling Safe	<ul style="list-style-type: none">• Fencing and environmental schemes promote safety• Visibility of Vico on estates, with (listening) events / surgeries, PACT schemes and• Days of Action• Visit silent customers	<ul style="list-style-type: none">• Scheme to install fencing and taller gate to prevent occurrences of unknown individuals gaining access to customers outside space at Newport House
2. Green Spaces and trees	<ul style="list-style-type: none">• Grounds maintenance audits (Charge for communal)• Increase numbers of Key Residents (reports on feedback)• Bulb planting (areas / schemes) litter picks involving schools and the local community	<ul style="list-style-type: none">• GM Audits underway. To be completed over winter season to ensure all applicable homes excluded from charges• Gate installed to permit Tivoli to maintain landlocked area <p>Q3 recruitment campaign for Key Residents to begin in Q4.</p>

Priority	Action	Updates
3. Parking	<ul style="list-style-type: none"> • White lining. Identify areas and place orders • Trip rail fencing • Small schemes, utilising areas available, including garage sites and grassed areas 	<ul style="list-style-type: none"> • Trip rail fencing installed around northern section of Queens Avenue, which is now preventing cars from parking on pavements / grass verges and blocking access to pedestrians with mobility challenges.
4. Community Spirit	<ul style="list-style-type: none"> • Get more people involved with Vico • Support new and existing groups • Link with other teams to create relevant sessions (for example Cash Wise, Wellbeing, Community Safety) 	
5. Implementation of a garden maintenance service	<ul style="list-style-type: none"> • Implementation of a trial • Identify areas for a trial 	<ul style="list-style-type: none"> • Garden trial locations selected, based upon criteria such as tenant age / size of garden. Trial of small number of homes in Eastmoor / Portobello. These will be assessed by project group, commencing in March. If successful, we'll look to roll out project district wide.
