

Energy checklist:

Be energy wise in your new home

1 Record your Start Meter Readings

If you have a pre payment meter, put the key card in to check there is no debt from the previous customer.

Dual fuel readings

Electricity (kWh total)	Gas (m ³ or ft ³)

Electric Only (Economy 7)

Total kWh	Rate 1 kWh	Rate 2 kWh

2 Set up your energy account

- If you have authorised Utility Renewals to contact you, they will ring you to set up an account for you.
- If you have not authorised Utility Renewals to contact you, contact the energy supplier to your property to set up your account.

Energy Type	Supplier	Account Number	Tariff Name
Electricity			
Gas			

Don't know who your supplier is?

- Electric:** Call the Meter Point Administration Service on 0800 111 4005 or visit www.northernpowergrid.com
- Gas:** Call the Meter Point Reference Line on 0870 608 1524

3 Check your heating controls

If you are not sure how to use your heating controls go to our website, www.vicohomes.co.uk for information and guides to download or call into any Hub.

4 Is there a cheaper tariff?

To see if you can save money by switching tariff or supplier use an Ofgem accredited price comparison website available at www.ofgem.gov.uk/information-consumers/energy-advice-households/switching-energy-supplier

For further information and support phone us on 0345 8 507 507 and ask for the Sustainability Team.
