

The rise of women in trades!

Breaking barriers and building vibrant communities.

We're supporting women of all ages and backgrounds to start a career in construction and trades with our award-winning apprenticeships.

apprenticeships](http://www.vicohomes.co.uk/apprenticeships)**

Whether you're fresh out of school, looking for a new career after a raising a family or you want to try something completely different – we've got a role for you!

With our apprenticeship programme you'll earn while you learn, gain a recognised qualification and real-life experience working with trusted mentors, building a career with skills that last a lifetime.

In your first year you'll receive a competitive salary and by your second year you can expect to earn over £22,000.

And it's not just an opportunity for you – our customers benefit too. Many households feel more comfortable, safer and at ease having a woman carry out work in their home.
